How to Register Online for Religious Education Classes

This topic shows you how to register online for religious education classes offered by your church. Note that the system does its best to accommodate your requests; however, it cannot guarantee placement.

Online registration is available only if the feature is enabled by your organization.

1. Select the tab your organization's religious education program.
2. Click [Online Registration](#) to display the **Online Registration** page.
3. Review your personal information. If you need to update your family record, click the [Update Family Record](#) link to open your family record and make the necessary changes. When done, click [Close](#) to return to the **Online Registration** page.
4. From the **Term** list, select the term you are enrolling your student in.
5. Click [+ Add Student](#) to open the **Student** registration form:

6. To register your student, complete the following:
 - a. Select the student you are registering and the student's grade level.
 - b. If your student has any special learning or health-related needs, specify those needs in the

respective fields.

- c. The system lets you select preferences for classes in any open term that match your student's grade level. Under **Class Preferences**, select your first preference (required). If desired, select your second and third choice preferences.
- d. Click  to submit your registration.

The system sends you a confirmation e-mail acknowledging receipt of the form. The e-mail also includes a list of your selected class preferences.
